## **Cindy Mulligan Named Director of Kai – The Medical Spa in Sandy Springs**

The Medical Spa announced today that Cindy Mulligan will serve as Director of the Sandy Springs location.

– Kai – The Medical Spa announced today that Cindy Mulligan will serve as Director of the Sandy Springs location.

“With over 10 years of experience in marketing, advertising and the fitness industry, we knew Cindy was the ideal person for this position,” says Grace Choung, Managing Partner of Kai. “She has a natural ease with the customers, and she will maintain our high level of customer service and community involvement here in Sandy Springs.”

Originally from Puerto Rico, Mulligan attended UMass before moving to Atlanta in 1996. Prior to joining the team at Kai, she was the Regional Manager for GBH Distributing and spent three years as Director of the Concourse Athletic Club. “I was drawn to the growth potential and the people here in Atlanta,” she says. “This is a very community-driven business, and I look forward to seeing the same people at events and really getting to know them.”

Today Mulligan wants to build and increase the awareness of Kai and what they can offer to clients in Atlanta. “I want customers to walk away feeling like they are keeping their body healthy, both inside and out,” she says. “I want people who spend this time on their health to show it...when their skin looks good and their body is refreshed, I want them to get compliments. It’s such a good feeling to see people leave this place happy.”

Mulligan lives in East Cobb, and is the proud mother of a college freshman.
